FOUNDATION REPORT ~ 2017

Governed by a Board of Directors, the Georgia National Guard Family Support Foundation, Inc. is a non-profit 501 (c) (3) corporation established in 1994 to provide emergency relief assistance during times of financial crisis to the members and families of the Georgia National Guard, and federal/state civilian employees of the Georgia Department of Defense. Although not a military organization, the Foundation is recognized as an official support organization of the Georgia National Guard.

POYTHRESS, Lt. Gen. Ret. David Bryan

Lt. Gen. (Ret) David B. Poythress was a great friend and supporter to the Georgia National Guard Family Support Foundation, Inc. He passed away on Sunday, January 15, 2017.

BG Joe Jarrard shared the following message: It is with a heavy heart that we mourn the passing of Georgia's 39th Adjutant General, Lt. Gen. David Poythress. From 1999 – 2007, Lt. Gen. Poythress oversaw the growth of the Georgia National Guard during one of our country's most challenging eras. Through 9/11 and into the War on Terror, he ensured our Guardsmen were ready and prepared to face a new enemy in an evolving battlefield. As the TAG, Georgia Secretary of State and Commissioner of Labor, he always served our state with distinction and honor. Lt. Gen. Poythress was 73 years old. We will all miss him dearly, and the leaders who served under him will humbly continue his legacy of service to our Nation.

Through the National Guard Association of Georgia, "Mrs. Elizabeth Poythress asked that we thank you for all the kind words of sympathy and fond remembrances of David. The family will share details of his memorial celebration at a later date."

In lieu of flowers, the family asks you to consider a gift in his memory to the State YMCA of Georgia (ymcaga.org/donate) or the Georgia National Guard Family Support Foundation (georgiaguardfamily.org/donate).

In 2005, it was Lt Gen Poythress who met with business leaders, the Governor's office and the Georgia Chamber of Commerce when they worked together to determine ways to help the members and families of the Georgia National Guard during the first deployment of the 48th Brigade. Lt Gen Poythress mentioned that the Georgia National Guard Foundation, a non-profit 501-C (3) organization established in 1994, was already in place to help military members with financial assistance.

Accepting the challenge, the Georgia Chamber designated the Foundation as the recipient of its major statewide campaign to raise One Million Dollars in 2006. The campaign was led by Mr David Ratcliffe, President of the Southern Company and the 2005 Chair of the Georgia Chamber of Commerce, as he and others rallied business leaders throughout the state behind the cause.

At the January 2007 *Issues and Eggs Breakfast* sponsored by the Georgia Chamber of Commerce, **the goal of One Million Dollars was recognized as of the end of calendar year 2006.** Support from the Southern Companies and many other corporate benchmark organizations and individuals helped reach this important milestone for the Foundation with their significant and ongoing donations and community support.

Pictured here: Lt. Gen. David Poythress and Governor Sonny Perdue, accepted a check for \$1,017,107.68 from George Israel, President of the Georgia Chamber, and Mike Worley, Assistance to Vice President, External Affairs of Georgia Power Company on behalf of the Georgia National Guard Family Support Foundation.

As a result of this donation and many other initiatives and contributions in the past 10 years, the Foundation has been able to provide more than \$2.6 million dollars in financial assistance to over 3,000 Guard Members and their families. Lt General Poythress was a wonderful and gracious man and will be greatly missed by all who knew him. On behalf of BG Carden and the Board of Directors of the Georgia National Guard Family Support Foundation, Inc., special thanks and appreciation to the Poythress Family for their generosity and ongoing support to the Foundation.

Mrs. Barbara Brown approached MSG Shannon Richardson about making a donation to a military support organization from funds that were raised from a percentage of gate fees from her son's Hillgrove High School baseball games and other fundraisers. MSG Richardson, a friend and supporter of the Foundation, discussed our military relief program and the decision was made to donate funds to our organization.

Event was held on 10 March 2017 for public acknowledgement of the donation. MSG Richardson and CPT Craig Henderson were available to attend and conveyed their appreciation for the warm reception, hospitality and generosity to support our cause. On behalf of the Foundation, THANK YOU, to all involved in this effort!

**National Memorial Day Ceremony
Marietta National Cemetery
Marietta, Georgia
May 29, 2017, 12:00 Noon**

The National Memorial Day Association of Georgia and The Avenue of Flags, Inc., was founded on March 16, 1946, in Atlanta, Georgia. It is composed of individual Patron Members and of Member Organizations who wish to remember and honor the men and women who have served in the United States of America Armed Forces, the many who have given their lives to protect our freedom, the many who are now deceased, and those currently serving in the Armed Forces. According to its website, www.nmdaga.org, the specific objective and purpose of the organization, is to plan for, organize, support, and conduct annually, the Memorial Day Ceremony and The Avenue of Flags at the Marietta National Cemetery in Marietta, Georgia.

This year's event, which was held on **Monday, May 29, 2017 at the Marietta National Cemetery** was the 72nd consecutive ceremony planned and conducted by the NMDA. Support for this ceremony comes from individuals, veterans' organizations and other patriotic groups, the local military bases, the staff of Marietta National Cemetery, local Scouts and High School JROTC and several interested companies, local Police, and city and county officials. Memorial Day is one of the best opportunities for all of us to express our gratitude for those who have and are serving our country and to honor their sacrifices.

Major General Joe Jarrard-Adjutant General of Georgia gave the Memorial Day address and The National Memorial Day Association of Georgia President, **Brig Gen Tom Blackstock**, was the Master of Ceremonies. The Atlanta Concert Band performed patriotic music against a backdrop of the graves of more than 10,000 veterans from 23 states. Posting of the colors, inspiring speakers, prayers and the presentation of floral wreaths highlighted the event along with a 21-gun salute and Echo Taps, per article written by John Spink @ ajc.com.

Additionally, this year's event honored the **Georgia National Guard Family Support Foundation, Inc.**, with a **\$500.00 donation!** The Foundation is a non-profit 501 (c) (3) corporation established to provide emergency relief assistance during times of financial crisis to the members and families of the Georgia National Guard. Although not a military organization, the Foundation is recognized as an official support organization of the Georgia National Guard.

31 May 2017 ~ Honor of Gabriel's First Birthday!

Gabriel's parents, Stephanie, and her husband, Tom, decided to Honor their son's first birthday by requesting that family and friends not purchase toys and gifts for his party, but to consider making a contribution to the GA National Guard Foundation in his Honor. Stephanie shared some of her thoughts with us about the decision:

"Tom has been in the Guard since before we met in 2010, and we're about to embark on our first deployment adventure. While the Guard has continued to increase in importance to me over the past few years, it is now becoming an especially significant piece of my life. I think what a lot of civilians fail to understand is the huge sacrifice that soldiers' families make while their sons, daughters, husbands, wives, fathers, and mothers are on the other side of the world defending our country and our freedom. To think that they sacrifice so much for our country, it seems rather important to me that we, as a nation, take care of those soldiers and their families. I am thankful that Tom and I have never encountered financial hardships, but I know so many soldiers do. There are several organizations that seek to contribute to soldiers in many different ways, but what the Georgia National Guard Family Support Foundation does for our soldiers and their families seems to be the most profound, in my opinion. It's awesome that other organizations donate specific items to the soldiers on a regular basis, but that doesn't help pay the bills. It doesn't put food on the table or a roof over the heads of the families who sacrifice so much."

Family and friends have supported their request with donations and we have established a special account in Honor of Gabriel's First Birthday! The Foundation is truly honored to be recognized by their kindness and generosity in such a special and unique way and we all wish Gabriel a fun filled year of being ONE!

Vivian Fay Poythress (1938 - 2017)

She was preceded in death by her parents, Clemente de la Fuente and Floriene Cooper de la Fuente. Also by her oldest daughter, Sandra Poythress Harvey.

At an early age, she and her parents moved to McAllen, Texas. It was while she was living in McAllen, her older sister, Pat, arranged a blind date for Vivian with a young Second Lieutenant, Carl Poythress who was attending Navigator Training at Harlingen AFB, Texas. After Carl was released from active duty, they moved to Savannah, GA in December, 1960. Because of their desire to be on the water, in March, 1967 they built their future and lifelong home on Betz Creek, Wilmington Island.

Vivian loved shopping, fishing and boating, especially cruising with Carl in their boat nearly every year to St. Augustine, Fla. for several days as well as taking weekend trips to Hilton Head and Beaufort, S.C. They also cruised to the Bahamas and to Key West Fla.

Vivian was also an active member of St. Francis Episcopal Church, looking forward each Sunday morning to see her wonderful friends at the eight o'clock service.

COL Reg Neal, BG (Ret) Marshall Kennemer, Mr. David Golden, Mr. Randy Wiggington, MAJ GEN Joe Jarrard

Mr. Golden has voluntarily served on the Board of Directors of the Georgia National Guard Family Support Foundation, Inc. since 2006. As a Partner with Troutman Sanders LLP, his area of practice includes Tax Exempt Organizations. He has been instrumental in providing advice, experience and support to the Foundation, a non-profit 501 (c)(3) corporation. The primary purpose of the Foundation is to provide emergency relief assistance to the Soldiers and Airmen of the Georgia National Guard facing serious financial hardships.

His generosity to help other support organizations of the Georgia National Guard included determining eligibility and making or renewing applications to the Internal Revenue Service for approval of tax exemption non-profit status for the Peach State Star Base Foundation, Inc. and the Freedom Calls Memorial Foundation, Inc. Each of these applications were successful and performed on a pro bono basis.

**Morgan Stanley Military Appreciation Luncheon
16 November 2017**

Morgan Stanley is a proud sponsor of the Congressional Medal of Honor Foundation which pays tribute to the living recipients of the Medal of Honor, our nation's highest award for valor while in military service. First awarded during our country's Civil War under the presidency of Abraham Lincoln, today there are fewer than 90 living recipients of the Medal. The Morgan Stanley Team in Alpharetta is very proud of the firm's commitment and organized an Appreciation Luncheon on November 16, 2017 for their clients that have served in the military.

The Georgia National Guard Family Support Foundation, an official support organization of the Georgia National Guard, has a 10-year relationship with the Mixon Smith Thomason Group of Morgan Stanley. They invited BG Tom Blackstock to be their guest speaker and he did a wonderful job of raising awareness about the Georgia National Guard and its statewide commitment of service to the community.

Some appreciation comments to share from 2017 ~

January 3, 2017

Happy New Year,

I want to thank you all from the bottom of my heart for the assistance. This will greatly help my current family situation, and I can guarantee you that when I get everyone healthy and back on track I will be making contributions to this fund. I will also advocate to everyone else I know about what a great program this is and ask for contributions from them as well. When everything comes down on you at one time, it is hard to imagine what is next and how can we get through this. This was outstanding news and invaluable help that my family will never forget. Thank you so much!

April 2017

I want to thank you and your organization for helping my family. Words cannot describe our gratitude, and we look forward to reciprocating this blessing. Your contributions allowed us to pay April's rent and to keep our much-needed gas utility on. It is a blessing to have a good organization, spearheaded by best people, helping today's Guardsman and their family. I pledge to be a constant contributor to this great organization and its programs.

August 2017

Thank you for your kind assistance during this difficult time of going through a financial hardship. I will definitely make sure we give back when we are in a place to do so. May God bless you and the Foundation.
