

Greetings,

Please allow this letter to introduce you to the National Guard Association of Georgia (NGAGA) and the Annual Ronnie Griffin Memorial Golf Tournament for which we are seeking your support.

The purpose of the NGAGA is to advance the best interests of its members, Georgia National Guard Soldiers and Airmen, in support of the betterment of the Georgia National Guard as a ready, reliable, and relevant component of local, state, and national security programs, now and in the future.

NGAGA is the voice of the Georgia National Guard Soldiers and Airmen both on Capitol Hill in Washington, DC and at the State Capitol in Atlanta. NGAGA and National Guard Association of the United States (NGAUS) are always working for the Soldiers and Airmen regardless of their status (ex: drilling at home station, Title 10 deployed in support of the Global War on Terror, or Title 32 securing the US and Mexican Borders).

In conjunction with this year's Annual Conference, NGAGA will host our 33rd Annual Ronnie Griffin Memorial Golf Tournament on Friday, May 29, 2020 at the Stone Mountain Golf Club. The proceeds from this tournament will support the development of junior officers, and the Georgia National Guard Foundation, which provides Georgia Guardsmen and their families with financial assistance on an emergency relief basis for basic needs.

We are seeking your support through golf sponsorships or donations. Attached is our flyer listing the sponsorship opportunities as well as opportunities to donate to our golf raffle. We will have approximately 200 golfers and volunteers participating in the event. This is a great opportunity to receive corporate and community exposure while helping to support the members of the Georgia National Guard.

Thank you in advance for making our 2020 NGAGA Golf Tournament a major success! We appreciate all that you do to support Georgia Soldiers and Airmen. If you have questions or need additional information please contact me at 404-216-0352 or peter.j.demkow.mil@mail.mil.

Peter J Demkow Jr
